

## PROCEDURE FOR ACCESS TO THE SCHOOL

Regarding the latest regional statement (n.511 of 11th June 2020) we will be implementing the following measures:

1. We recommend every single employer/teacher/student not to come to school in case of bodytemperature higher than 37.5° or any other flu-like manifestation. Only employers, certified teachers and students properly enrolled at the exam they would like to take, all identified as not COVID-19 suspect are allowed to enter to the scholastic headquarter of “Scuola Bottega”; the control is done at every single access through the measurement of body temperature with ultrasonic thermo-check or similar, without any contact between the instrument and the dermis, to guarantee common safety. If body temperature is equal or higher than 37.5° C , the person must go back home, where afterwards he will be contacting his/her doctor or the Continuing Care Service, or, just in case, the toll-free regional dedicate numbers to communicate the occurrence.

2. From the moment you enter school , **you must wear the mask .**

3. All users (teachers, students, tutors, etc.), considering the prolonged sharing of rooms , **will have to wear a mask** to protect the respiratory tract for the duration of the activities and undertake a frequent hygiene of their hands with sanitizing products.

4. During the examinations, school will be providing hand sanitizer with alcoholic solution, and sanitizer spray for every surface. All the equipment used at the exam will be sanitized between two students with a device able to sanitize through hydrogen peroxide.

5. In order to avoid any form of gathering, especially for students, access to the school will be realized atfixed number. For this purpose, we recommend full cooperation of any employer, teacher or student, who should be avoiding any form of unnecessary gathering also outside school. There will be 40 minutes between two exam sessions.

The exam will be conducted orally and no lab will be used so those rooms will be accessible only with prior authorization.

**During the exams, the official schedule for the candidates will be temporarily cadenced so that every student will remain at school only for the time necessary. There will be 40 minutes distance between two exams and more rooms will be used in order to have enough time for the indoor spaces sanitization; the candidate will be leaving school straight after the fulfillment of the oral exam.**
